Liberty Tech's mission and core beliefs can be found on our school website under, "About Liberty Tech." The charter and policy manual can be viewed or downloaded (caution, these are large documents) from the Governing Board's website.

Liberty Tech believes that education is a shared responsibility among the school, home, and community. Active engagement of committed parents, educators, and other stakeholders is critical to effective school outcomes which include high student achievement, sustainability, and effective operations. Please be aware that committees meet at least once a month and members are expected to be active participants in the decision-making process. If you are interested in participating please email the following documents to Joseph Starr.
